★**RQ-1** - 1/2 pound, *fine roulette*, control **J160922**, cancelled 2549 by Rock City Tobacco in the 4th week of September 1952 - probably a simple typo for 2509 by the stenographer.

The format was apparently discontinued in 1955, after a total of at least 152,210,332 one-half pound strips had been control numbered. Each of the seventeen lettered prefixes represents 10,000,000 strips - the letters "**I**" and "**O**" were always omitted due to their resemblance to the numbers "**1**" and "**0**". Upon completing **R9999999** these BABN control sequences always re-started at **0000001** with some denominations, in the Series "C" tobacco strips, completing *three passes* through this control sequence, thus 510,000,000 strips.

--- RQ-3 - *coarse roulette* - *without* control numbering - the post-1965 use of the *control-free* remnant strip ---

RQ-3 - 1/2 pound, *coarse roulette*, without control numbering, stamped **QUE** for sale within Quebec

# n.a.	RQ-3	1/2 pound, coarse roulette, stamped **QUE**

RQ-3 - 1/2 pound, *coarse roulette*, without control numbering, an unused pair - probably a remainder
